JUHS EYES $2 MILLION IN BONDS

A $2,000,000 bond issue to finance Jefferson Union High School District needs the next five years will be necessary next spring, Superintendent Edward D. Morgan informed trustees Monday night.

He told the board they must act shortly after the first of the year to approve the bond issue and a state aid measure to finance the Sharp Park school and additions to the Westmoor site.

The bond issue would bond the district to 90 percent of its capacity and make it eligible for state funds to finance the Westmoor additions.

Examine Reports

Trustees reviewed the district's urgent need for funds in a report by Principals John Mongan of Jefferson and Glenn South of Westmoor. The lengthy report showed that unless the Sharp Park school is ready by 1959, double sessions again will be necessary.

Jefferson's current enrollment is 1182 and Westmoor 836. According to the report, the new Westmoor plant will open next September with 1171 students and Jefferson 1197. A year later, Westmoor's total wil be 1313 and Jefferson, 1271.

Morgan estimated enrollments for the next five years by projecting currently elementary enrollment. Hits totals were lower than these forecast in the Stanford survey, which points out the district

345-Acre Annex Wins City, Sewer District Approval

Annexation of the proposed 276-acre subdivision, St. Francis Heights, and some 70 acres of adjoining property to the city of Daly City won final approval by the city council last Wednesday night, in a 4-0 vote.

Their action culminated nearly four months of negotiations and sometimes heated debate over the land merger, which will eventually swell Daly City's population by more than 7500 persons.

Councilman Sanford Vickers, who has waged a one-man battle to "slow down" the annexation until adequate provision was made for alleged sewer problems, abstained from voting.

Located south of Broadmoor between Junipero Serra and Skyline boulevards, the mammoth annexation virtually encloses the unincorporated Broadmoor - Garden Village communities on all sides.

Broadmoor Standstill

Annexation of these communities was in the committe stage this summer, but negotiations have apparently come to a stand still.

The new annexation is expected to prompt further talks between Daly City and Broadmoor representatives.

Most of the 345-acre annexation approved Wednesday will be developed by Chris and George McKeon of the Zita corporation, who own 276 acres of the property. Remaining parcels are owned by Henry Doelger, PG&E, Thomas Callan Jr., G. Schenone and Hope Lutheran church.

The subdivision, St. Francis Heights, will include an estimated 2600 homes, multi-million dollar shopping center and professional building. Price of the homes will start at $17,500.

Annex Agreement

Under terms of an annexation agreement between the McKeons and Daly City, certain lands will be set aside for municipal facilities and major installations such as water mains will be financed by the corporation, which will then be re-paid by the city over a 10-year period at 2½ per cent per annum.

Only one protest was noted Wednesday as the ordinance annexing the land was given second reading and approved.

Mrs. Wesley F. Foster, 840 Washington street, Broadmoor, asked that the council review its preliminary approval of November 12 because of problems the subdivision will create within Jefferson elementary and high school districts.

Mayor Joseph Verducci declared the protest "too late," since the letter wasn't scheduled for formal reading until this Monday.

The mayor said the city had extended full cooperation with the school districts to insure adequate provisions for school sites.

Annexation of the 345-acre Zanone lands to the North San Mateo County Sanitation district was approved Tuesday by the county board of supervisors in a 3-0 vote.

Supervisor Thomas Callan Sr., who has a member of the sanitation district board of directors had urged more investigation on the annexation, abstained from voting because his son, Thomas Jr., owns a small portion of the lands up for annexation.

Action of the supervisors in approving the merger marks the final step in bringing the land into the sanitation district. It has already been annexed to Daly City.

During the hour-long hearing the only protests were made by Callan Sr. and Hartley Appleton, attorney for the Westlake Improvement association.

Asks Subdivision Maps

Callan reiterated his stand that the annexation should be delayed until Chris and George McKeon of the Zita Corporation submitted final maps on their proposed 2600-home subdivision. He also held that the sanitation district should not be made to bear cost of a sewer transmission line from the McKeon tract to existing lines.

Appleton charged that the annexation would result in an increase in taxes and said he objected to helping pay for the McKeons transmission line. Appleton's statement that he represented all the people of Westlake drew a challenge from Daly City Councilman Paul Hupf, who pointed out that he was a resident of Westlake and Appleton wasn't representing him.

Mayor Joseph Verducci appeared to speak on behalf of the annexation. Accompanying him were Councilmen Hupf, Del Wilson and Micheal De Bernardi, City Manager Howard Stites and City Attorney Frank Blum.

Asks Continuance

Callan had said last week that he would ask for a continuance on the public hearing. He made no such request, but his son, Tom Jr., appealed unsuccessfully for a week's delay in the proceedings.

Under the annexation, the sanitation district will receive approximately $60,000 in revenue under a $25 per lot annexation fee. This, according to De Bernardi, a director of the district, will more than pay for new facilities which will be needed by the McKeon tract. Because of the annexation, he claimed, the district will be able to avoid what appeared to be an imminent increase in taxes next year.

Mission Circle 'Eyesore' Doomed By Court Edict

The historic apartment house nuisance at 96 Mission Circle is coming down.

City Attorney Frank Blum said today that a superior court judgment had been obtained against the executor of the L. V. Roberts estate, owner of the property, to demolish the building by next Monday.

The ramshackle two-story apartment dwelling, a headache to city officials as far back as 15 years ago, was ordered abated in 1953, after its health and safety hazards were cited by both local and county officials.

But nothing came of it. Then, in 1954, the city again ordered the property to be demolished, on threat of court action.

'Ghost' RR Pleas For New Trial

The Ocean Shore Railway's arguments for a new trial to reverse a decision declaring their right of way abandoned were heard in Superior Judge Louis Dematteis court Tuesday.

Judge Dematteis will rule on the motion on December 10.

Earlier this year the judge, following lengthy trial sessions, ruled that the long defunct railway had in fact abandoned certain rights of way through Daly City. He declared Daly City, Henry Doelger Builders Inc. and the Roman Catholic church, plaintiffs in the action, had full title to the lands.

The Ocean Shore based arguments for new trial on the allegation that they were "surprised" by new evidence. George Middleton, spokesman for the "ghost" railway, said they had not anticipated that evidence would be brought in on the railway's activities prior to 1930.

Should Dematteis deny motion for new trial, it is expected that the railway will appeal to the district court.

JESD Slates $10,000 Post-Education Chief

In a split vote Wednesday night, Jefferson Elementary School district board of trustees authorized the superintendent to seek four new administrative personnel for next year, including a $10,000 a year director of education.

Trustees were at first hesitant to fill the new positions, outlined by Superintendent H. Z. Weibel in a "confidential" memo, since they had been awaiting results of a Stanford University survey on local administrative and curriculum needs.

Weibel said, however, that the Stanford research representative wouldn't meet with the board until January 9 and that each week's delay cut down the opportunity for securing top personnel.

On motion of Trustee Henry Kraus, Weibel was authorized to contact prospects for the director of education post, guidance and psychology consultant and two principals.

Chiarman Katherine Mullen opposed the motion, maintaining that the board should wait for the Stanford survey.

Postpone Action

Action on two other teacher consultant positions proposed by Weibel was held in abeyance pending the January 9 meeting with Stanford researchers.

While authorizing Weibel to search fo rthe prospective employees, trustees expressed surprise when told by Weibel that the Stanford study would not be a "personalized' curriculum survey of the local district, but a long range program for obtaining administrative personnel.

Acting on request of several local brokers, trustees established January 16 as date for a meeting to study school insurance and consider possibility of opening the district's policy to competitive

Council Allocates $2000 For Christmas Lighting

Daly City will hail the yuletide season with a synthetic Christmas tree overlooking the city and decorated trees at the community center and Westlake park.

But the council's decision to expend $2000 for these projects did not come without some debate Monday night.

In a 3-1 vote, Councilman Paul Hupf opposing, the council voted a $2000 expenditure most of which will go for erection of a 105-foot pole at the south end of Peoria street which will be decorated as a Christmas tree.

Hupf's earlier motion to set aside a maximum of $1000 on a matching fund basis with city merchants was defeated in a 2-2 stalemate.

Chamber Proposal

The pole lighting project was proposed by H. H. Smith Jr., president of the Daly City Chamber of Commerce. He said the idea would provide decoration for the entire city, not any particular area. He cited the "prestige" value of the display.

Hupf argued that the city should be willing to contribute half of the cost but the merchants should participate for the other half.

Acting mayor Sanford Vickers opposed Hupf's proposal, holding out instead for overhead Christmas decorations throughout the business area. He said the business section had had a "blackout" dur-

Housewife Blisters City For 'No Comment' Tactics

Mrs. Jack D. White, 689 Templeton avenue, housewife and PTA worker, made her third trip to the city council in as many months Monday night and severely lashed the city fathers for failure to notify her PTA of projected plans for recreation in eastern Daly City.

"We still want a written statement on proposed improvements in this area. Does it take six months to get it?" asked the ired representative of Crocker-Pershing PTA.

"Are we to be completely ignored?" she asked angrily. "Budget funds for our area were sidetracked last year to pay for Westlake park."

City Manager Howard Stites related that work on Frankfort park was underwoy but the PTAer was not to be appeased with this. "You told us this last month," she lashed back. "We want plans. We feel you're ignoring a large section of the citizens. Is the city manager afraid to commit himself?"

Councilman Micheal De Bernardi took exception to Mrs. White's allegations, claiming that money for improvement of parks to this year's budget.

"But Stites told me some of the money was used for Westlake. Simebody's mixed up," she rejoined.

Acting Mayor Sanford Vickers said a letter should be sent immediately to Mrs. White outlining proposed improvements for her area. "I assure you will receive that letter," he said.

Will Select Rec Director By Dec. 15

The nine-month vacancy in the important post of Daly City recreation director is expected to be filled within the next two weeks, THE RECORD learned today.

Following Tuesday night's recreation commission, it was announced that of the eight candidates interviewed for the $492-$569 a month position, the field had been narrowed to two.

Commissioners met with one of the two prospective directors on Tuesday. They had conferred earlier with the other top prospect.

The commission said that either of the top leading candidates would be acceptable to them.

Decision will come from City Manager Howard Stites, who two weeks ago was given authorization from the city council to make the appointment.

Stites said he'd like to have a man filling the job by December 15, "at the latest." The manager said he had not yet made up his mind between the two prime candidates.

The commission had announced that decision on the appointment would be made by this Saturday. Stites did not confirm this, but gave instead the December 15 deadline.

One of the two top prospects is believed to be the director of recreation in Modesto, Calif., while the other is reportedly a recreation worker in Olympia, Wash.

Stites said that both prospects "were very competent."

Daly City has been without a permanent director since resignation of James Mason last spring.

During the summer Frank Ingersoll, a member of the recreation staff, took over the job full time but otherwise the job has been vacant, resulting in a slowdown of the city's recreation program.

After several unsuccessful attempts to secure qualified candidates, the council this summer raised the wage scale for the position.

Switch Blade Ordinance Held Emergency Law

Ordinance outlawing possession and sale of switch-blade knives was passed as an emergency measure by the city council Monday night.

Under emergency status, an ordinance becomes effective immediately, the 30-day waiting period being waived.

Emergency status was given the ordinance because of recent "outbursts of violence, bodily injury and property damage" by youths in neighboring communities.

bid.

Up to now, insurance has been handled by one broker, Peter J. Markovich.

Other Action

In other action, trustees:

1. Granted two week continuance to O. C. Jones & Sons to explain why they should not be made to pay liquidated damages of $757.25 to the district for delay on completing Colma school improvements.

2. Notified Architect Mario Ciampi that his services were needed immediately to investigate feasibility of a north Westlake "basin" school site.

3. Appointed Trustees Kraus, Hartley Appleton and Michael Callan a committee to keep in contact with the state freeway plans as they might affect location of future school sites.

4. Agreed to postpone all moving of classrooms into the new Benjamin Franklin facilities until after Christmas vacation. Classes will be moved from 37th street school, Garden Village multi-use room, Jefferson, Woodrow Wilson and the mentally retarded from Colma.

Start Condemnation

5. Passed resolution of necessity to institute condemnation proceedings for the 1-7 acre Tozo property and authorized the district engineer to survey five acres of contiguous property for possible school site purposes.

6. Discussed enlarging Margaret Pauline Brown site off Edgemar road from 6.9 acres to 10 acres and relinquishing "panhandle" portion of site to county for a north county health clinic.

7. Learned that $53,000 funds from undistributed reserve would have to be returned to the state because district revenue this year was $50,000 more than anticipated.

8. Authorized assistant superintendent David Shapiro to secure cost estimates for installing four toilets at General Pershing School annex.

Sewer Stoppage

9. Received notification from North San Mateo County Sanitation district that the school may be liable for last week's sewer stoppage near Benjamin Franklin school. The sewer district claimed that breaking of the manhole, grading and the pushing of dirt and debris into the broken manhole caused the blockage.

10. Approved participation in an immunization survey.

11. Declared February 11 instead of April 12, 1957, a legal holiday.

12. Awarded contract for auditing district books to Warren G. Lefort, who submitted low bid of $750 for 1956-57, $825 for 1957-58 and a per diem fee for additional assistance of $50.

13. Noted California School Boards association conference to be held next Thursday, Friday and Saturday, Dec. 6, 7, and 8 at St. Francis hotel in San Francisco.

Police Book Young SF Housewife Here For Drunk Driving

A 21-year-old San Francisco housewife was arrested here for drunk driving last Thursday morning after police spotted her car "weaving in and out of traffic" on Mission street.

Booked was Marylyn S. Magee, 1574 Ninth avenue, who failed to pass a sobriety test at Junipero Serra hospital.

Officer Phillip LaBruzzo said the woman's car swayed over the center line of the street, endangering oncoming traffic, and also narrowly missed ramming cars parked along the curb.

The housewife was released on $500 bond. She is scheduled to appear in municipal court next Tuesday.

Drunk-In-Auto Count Hits Local Bartender

Alfred G. Kanousis, 32, a bartender of 398 Hillside boulevard, was arrested in Westlake early Friday morning on a charge of being drunk in and about an auto.

Officer James Bergstrom said he found Kanousis sprawled in the front seat of his car parked behind an apartment building.

Released on $50 cash bail, the bartender is scheduled to appear in municipal court next Tuesday.

JUHS Eyes $2 Million In Bond

will need five high schools by 1965 including 1750 students each.

If the new Sharp Park school is ready by September of 1959, the district will recommend the boundary line between Westmoor and Jefferson be changed to equalize enrollments at 1100 each. Projection show that Jefferson would have 1385 students for the 1959-60 term, Westmoor 823 (including Sharp Park seniors) and Sharp Park 640.

Spare Scarce

The superintendent termed the Westmoor situation critical. Every available space in the new school will be used for classrooms. He indicated the current plant doesn't include rooms for biology, general science, physics and general shop classes.

South and faculty, Morgan said, are willing to use space not designed to house these classes for three or four years so the Sharp Park school can become a reality.

Westmoor's equipment and site development needs pose a severe problem. South's report calls for a $393,000 outlay to equip the plant by next September, $160,000 of which is for furniture alone. In addition, site development will cost $85,120, plus $130,000 a year later in the same category.

Morgan said a portion of the money needed to equip and complete site development at Westmoor will have to come from the bond issue. No state aid will be available for Westmoor immediately and most of the costs will have to come out of the current budget and the one for next year.

Will Report

The superintendent hopes to present to trustees his recommendations on the bond issue and request for state funds at the December 17 meeting. He was scheduled to confer with Elwood Lehman of the state division of school planning yesterday to obtain full data on state aid.

Trustees will hold a special meeting December 10 to complete their analysis of master inventories on Westmoor and Jefferson needs. They must decide price ranges of furniture in order to meet a bid and contract schedule proposed by South.

Morgan reminded that the district isn't forgetting furniture and other equipment needs at the Jefferson plant. He recalled that the plant is 30 years old and many changes will be necessary.

Meanwhile, trustees are awaiting word from the district architect as to how much it will cost to have engineers provide a cost analysis of improvements at Jefferson as urged in the recent fire marshal's report.

New Teachers

Trustees Monday night gave the superintendent the "go ahead" signal to hire 22 new teachers for the 1957-58 school year. Twenty will be added to Westmoor at a total salary outlay of $96,900 and two at Jefferson amounting to $11,200 in salaries.

Also to be hired by next September will be six more secretarial workers, nine cafeteria employees, eight custodians and two maintenance men.

Morgan has notified several placement agencies and will begin hiring the new teachers after the first of the year.

In other business, trustees:

1. Designated the December 17 Meeting for discussion of the Classified Employees Section of the Administrative Code.

2. Heard the superintendent report that he has contacted placement agencies for a district business manager.

3. Were notified of the Trustees' and Superintendents' conventions December 3-8 in San Farncisco.

4. Reviewed a report from John J. Ivan indicating that Adult School enrollment for October was 439, with an average daily attendence of 53.9. This is double the enrollment last year.

Cite Truck Driver For Drunk Driving After Brief Chase

Harold Green, 26-year-old truck driver of 151 School street, was arrested for drunk driving Sunday night after a brief high-speed chase by Broadmoor police down Hillside boulevard.

Green was stopped at the intersection of Market and Mission streets by Officer George Carlton. A sobriety test at Junipero Serra hospital proved positive.

The truck driver posted $500 cash bail and is scheduled to appear in municipal court next Thursday.

NAB SF ARMORED CAR GUARD HERE AS DRUNK DRIVER

A 33-year-old San Francisco man, employed as an armored car guard, was booked for drunk driving here early Sunday morning after police said he was "endangering traffic" on Junipero Serra boulevard.

Joseph A. Morin, 4536 Cabrillo street, was driving in and out of traffic lanes when police spotted him, they reported. He was taken to Junipero Serra hospital where a sobriety test proved positive.

Morin was released on $500 bond and is due to appear before Judge Thomas L. Bocci in municipal court next Tuesday.

Owner Dies

Shortly thereafter, Roberts died and the estate was tied up in probate.

The city attorney attempted to locate the executor Francis Mackall, to no avail, and launched legal action to have the eyesore torn down.

Finally, on September 3, Blum said he learned that the estate was coming up in superior court for distribution of the property. Realizing that the executor would have to be present, the attorney had a process server contact Mackall, handing him a summons to show cause why the nuisance shouldn't be abated.

Three days later Superior Judge Aylett Cotton rendered a judgment to abate the nuisance and enjoined the defendants from permitting the nuisance to exist past Monday, December 3.

Let Contract

Blum said a contract has been let by the estate with Dolan Wrecking Co. to tear down the dwelling.

The attorney said if demolition work was not undertaken by Monday, the city would have to move in and wreck the building, either with its own crews or by contract.

The delapidated structure has long been cause of concern for neighboring residents. Besides its tacky exterior, the building has been used as a catchall for old newspapers, paint and miscellaneous junk, constituting a serious fire hazard, according to Fire Chief Elmer Kennedy.

ing the last several Christmas seasons.

"I'm very emphatic, I don't think we should go another season without lights," said Vickers.

Councilman Michael De Bernardi moved that the Chamber's recommendation on the pole be approved and added a stipulation that the community center and Westlake park trees be decorated. Only dissenting vote was Hupf's. Mayor Joseph Verducci, who at study session last week had sided with Hupf's matching fund plan, was not present.

Other Action

In other action the council:

1. Approved re-subdivision of Lots 1 and 2, Block 32 (southwest corner of Hillside boulevard and W. Moltke).

2. Referred bill of $268.43 from Roy J. Lucchesi for damage allegedly done to his car by a faulty concrete island on San Pedro road to the city attorney.

3. Referred to police department request from Ray Bianchi to operate mobile unit.

4. Approved neon sign for Van Sut's Ice Cream on 2159 Junipero Serra boulevard.

5. Granted use permit to Henry Doelger Builder, Inc., for temporary billboard at northeast corner of Alemany and Lake Merced boulevards.

6. Granted use permit to Marjorie Tholen, 362 Wililts street, to do sewing in her home.

7. Approved dance permit for Daly City-Colma Lions club.

8. Approved business licenses for R. Richard to operate used auto business at 7276 Mission and Frank R. Hartmann Jr. to conduct service station at 6831 Mission street.

The Town Record

(Continued from Page 1)

it on November 21, 1955. Up to recently doctors had been unable to diagnose the injury.

The operation came exactly one year later to the day that he suffered the injury.

The big sewage snafu near Benjamin Franklin school last week that resulted in overflow of effluent on the school yard for four days dearly cost the North San Mateo County Sanitation district.

They had to call in a dozen Daly City employees to help them clear the obstruction in the pipe.

All told, Daly City employees turned in 76 man hours of straight time, 146½ man hours of night work, laboring right up to Thanksgiving morning.

The hired hands will cost the sewage district some $700, not counting expenses of material and labor furnished by the district.

DICK LIBERTY, clerk of the municipal court and active OLPH church men's clubber, has trundled up his family and moved from Daly City down the line to San Bruno.

Football fans see Mayor-Coach JOE VERDUCCI on TV Sundays diagramming the playing attack in advance of the 49ers grid games.

The show is sponsored by Ellis Brooks Chevrolet.

After the telecast is wrapped up, Joe, whose cousin runs a San Bruno Mercury agency, gets in his Plymouth and drives home.

Governmental meetings will slow down to a snail's pace during December.

The city council and Jefferson High school district both have regular meetings scheduled for December 24, which is Christmas eve, which of course means the meetings won't be held.

And the elementary school district is cancelling their December 26 sesion, also because of the holidays.

THE COUNCIL'S ROLE IN ANNEXATION

After months of lofty oratory, bitter debate and some political showmanship, the annexation of the property technically known as Zanone lands has come to pass.

Annexation of the 345 acres of property has been approved by the city of Daly City and North San Mateo County Sanitation district but in neither case was the acceptance unanimous.

While we can certainly see the virtue of the annexation as outlined by its proponents, we feel there must be some substance to the minority voices urging more caution and deliberation on the mammoth land merger.

As we have said before, the annexation, particularly referring to that 276-acre section known as the McKeon land, can be a significant boon to Daly City.

The McKeon's proposed 2600 home subdivision will swell Daly City's population with from between 7500 and 10,000 persons, will add millions of dollars of assessed valuation to the tax roles, will create thousands of dollars in new state revenue and should be a bolster to the economy and stature of the community.

We have every reason to be optimistic that the annexation will do just that.

But the few voices pleading for a "go-slow" policy in such a major undertaking should not go entirely unheeded.

A certain restraint is necessary when bulldozers start moving in to chop up and remake 345 acres of hilly terrain into a planned community.

Approval of the annexation is not an unqualified license for the subdivider to put things together the way he wants to.

The city council can and should play a major part in the designing and control of the subdivision as far as municipal and school facilities are concerned.

This power comes through reviewing and subsequent acceptance of subdivision maps, issuance of use permits and establishment of zoning.

The McKeon subdivision, St. Francis Heights, is not yet a planned community.

It is up to the city council to help make it that way. Daly City's newest addition should be provided the best of municipal services, not at the expense of the present population, but of the subdivider and the new taxpayers who will make their homes there.

Two For Tonight

By Leonore Brewer

If you've been fascinated by articles about the great electronic brains that accomplish more in an hour than ten people can accomplish in a week, and if they've made you wonder whether or not people are here to stay, "The Desk Set," a comedy currently at the Curran is the play for you.

It stars Shirley Booth as the research department head of a television network, who resists the efforts of an efficiency expert (Byron Sanders) to replace the memories of her entire department with an electronic marvel whose memory is on punch cards.

Manhunt

Since so slight a plot can hardly fill out an entire evening, a problem considerably older than man versus robot is thrown in to pick up the slack—namely, how to snare a man. When they aren't worrying about their jobs, Florence Shaen, Lee Patrick and Jean Ruth, the balance of the research department, spend quite a bit of time talking about this problem. Miss Booth works on it, the object of her intentions being a company executive (Abe Cutler) who hardly seems worth the effort.

The performance we attended had one of those extremely receptive audiences who laugh and applaud at the drop of the slightest witticism. We joined them occasionally. There was Miss Booth's remark about how she removed undesirable people. She simply wrote the name on a slip of paper, put it in a drawer and forgot about it. Admittedly not new, but her grandmother had used this system on the Archduke Ferdinand, and we all know what happened.

'Emmy' Helps

Then there comes a time in the last act when someone asks "Emmy" the electronic wonder for the weight of the earth. After the question is typed on her keyboard, there is a brief pause while she digests it, as lights flash and buzzers buzz. Then someone reads her typed reply, "With or without people?"

The characters of Emmy and Miss Warriner (Molly Dodds), the young lady employed to work with the electronic memory, are poorly handled. A lot could have been done with this pair. We are reminded of some of the "characters" developed by Lewis Padgett, who once wrote an entire series around a robot who, among other things, could quote poetry and mix the best dry martini you ever tasted.

Of course, this type of humor is extremely difficult to handle, and what may read good may not look good on the stage. However, there is one little touch we would like to see added to this play: During the curtain calls, someone should "turn on" Emmy.

BOOK HOUSEWIFE FOR HARBORING RUNAWAY GIRL, 16

A 34-year-old Daly City housewife was arrested here Sunday night on a charge of contributing to the delinquency of a minor.

Booked was Mrs. Olita C. Ruffer, 189 Alexander avenue, who was taken into custody at her home along with Neil Rezendez, 18, same address, and a 16-year-old runaway Oregon girl.

According to the police report, the youth brought the girl here without consent of her parents. Authorities claim that Mrs. Ruffer was aware the girl was a runaway.

All three are scheduled to appear at a juvenile court hearing in Redwood City tomorrow. The California Youth Authority also placed a hold against Rezendez. He previously had been booked for theft and now faces a further charge of parole violation.

Alleged Cop Slugger Enters Plea Tuesday

Joseph Langensand, 20-year-old milk wagon driver who allegedly slugged one of two police officers escorting him to jail on a drunk charge, had his case continued yesterday in municipal court to Tuesday, at which time he will enter plea.

Langensand, 427 Templeton avenue, is charged with disturbing the peace, assault and battery, resisting arrest and drunkenness.

In other action Herschel Speck, 646 San Diego avenue, pleaded guilty to a shop-lifting charge at King's Market November 17 and was sentenced to 30 days in jail, $150 fine and ordered to make restitution for the merchandise.

Joseph Caputo of San Francisco was fined $250 for drunk driving here November 21.

MEDICAL PROGRAMS . . . . The subject of health should be of vital concern to everyone. Recently television stations have been devoting more time to various programs on that important subject. On KRON-TV, "Doctors News Conference" (Wednesdays, 7p.m.), a live unrehearsed telecast, features medical experts answering questions put to them by reporters on such subjects as heart diseases, smog, and effects of atomic radiation.

Common Situations

The program is produced with the cooperation of the San Francisco, San Mateo, Santa Clara and Marin County Medical societies. A program of particular interest to mothers ise the series produced by the Children's hospital of the East Bay entitled "Your Child and the Experts" (KRON-TV, Fridays, 2:30 p.m.). The selection of subjects is especially good because they are situations that most parents face sometime during the period when their children are growing up. Last week's program was "Children Swallow Everything," a problem which has concerned most parents at diferent times. This week the program is "The Brand New Baby," and will deal with care of the newborn infant. KPIX features a public service program on Saturdays at 3 p.m. entitled "House Call" produced by the S. F. Medical society, the Health Council of the San Francisco Community Chest and cooperating health agencies. In December the program will cover the subjects of schizophrenia, rheumatism, medical fakes, blood diseases and alcoholism.

KGO-TV has a program entitled "Medical Horizons" seen on Sunday afternoons at 4:30 p.m. Recent programs have been featuring tours of famous medical centers, and the first program in December is entitled "Before His Time," which will demonstrate the special care of premature infants.

Health Series

KQED is featuring a health series called "Facts of Medicine" (Thursdays, 9 p.m.) with Dr. David Rutstein, head of the department of preventive medicine at Harvard Medical school. Subjects covered by future programs include flouridation, cold cures, allergies and food poisoning.

The list is long and certainly covers a wide range of subjects. One of the most important results of these programs is to focus the attention of the public on the subject of health. The medical profession is making great strides in the field of preventive medicine, and making people health conscious is certainly an important part of this advancement.

Colma Woman Injured As Vehicle Hits Ditch

Mrs. Katie Burgdorf, 58, of 1031 Nimitz drive, Colma, was seriously hurt Sunday afternoon when the rented station wagon she was driving plowed into a ditch in Redwood City.

The woman was unconscious when she was pulled from the wreckage. She was treated at Sequoia hospital for a fractured right arm and head cuts.

Her passenger, Joseph Nelson, of San Francisco, sustained severe face cuts and was transferred to Permanente hospital in San Francisco.

Car Booster Victimizes South City Grid Fan

One South City football booster didn't have much to be happy about Thanksgiving Day although the Warriors won their traditional battle with Jefferson here.

When Wesley L. Black, 12 Chapman avenue, returned to his car parked in front of the high school he got an unpleasant surprise. Missing were two hubcaps and the exhaust reflector.

Black, a maintenance man, estimated the loss at $25, police said.

Faculty Top Quota Again For Crusade

For the second time, the Jefferson High school faculty has been awarded for exceeding its United Crusade quota.

The honor, given for "outstanding support" to the health and welfare services of the Bay Area community, was presented to the faculty recently by the San Mateo United Crusade office.

Coffe Pot Tumbles, Colma Infant Scalded

An 18-month-old Colma boy was reported in fair condition in Mills Memorial hospital today after he tipped a pot of boiling coffee onto himself Sunday in San Mateo.

The victim, Leslie P. Hicks, son of Mr. and Mrs. Abron Hicks, 816 Thornhill drive, suffered first, second and third degree burns on his face, shoulders and chest. The mishap occurred while the infant and his mother were visiting relatives.

'Search For Stars' Talent Show On Dec. 15 At OLPH

San Francisco Moose Lodge's "Search for Stars" show, largest talent discovery event in Northern California, will be presented at Our Lady of Perpetual Help School auditorium, 80 Wellington avenue, on Saturday evening December 15.

Featuring 20 of the Bay Area's top young entertainers, the show will begin at 8 o'clock. All proceeds will go towards providing a snow trip for the local Boy Scout unit.

"Search for Stars," now completing eight years of discovering youthful talent, has over 15,000 performers listed. Its discoveries have gone to greater success with Ed Sullivan, Ted Mack, Jack Benny, the night clubs of Las Vegas, Reno and Los Angeles, and many have made their way into the motion picture field.

The special performance in Daly City will feature an array of singers, dancers, acrobats, instrumentalists, comedians and various other types of entertainers. They will be drawn from about 17 Bay Area communities.

Bill McKavanaugh, director of the program, promises two hours of fine entertainment. Show accompaniment will be provided under the direction of Clayton Mitchell.

North County Cities Consider Joint Use Of Muni Facilities

North county cities representatives gathered Wednesday at Uncle Tom's Cabin in San Bruno to "feel their way" on a proposed north county master plan designed to avoid duplication of municipal facilities.

Under the proposal, the cities would retain their political identity but would cooperate in the use of such facilities as fire stations, sewer lines, and other costly installations.

The proposal emanated from a recent meeting of the North County Council of Cities.

Sanford Vickers, representing the Daly City council, cited the McKeon annexation as an area where the joint use of facilities could be developed.

For example, he said, one fire station might be built on the fringe of the McKeon property to serve both Daly City and South San Francisco, since the latter's boundaries will be contiguous with the McKeon land.

Vickers asked the group to contact Frank Skillman, county planner, to coordinate a land use plan between county and cities and tentatively point out where joint facilities could be operated.

DC Police Arrest SF Hosiery Exec For Drunk Driving

Gilbert D. Finn, 35--year-old president of a San Francisco hosiery firm, was arrested here Saturday night for drunk driving after patrol car officers spotted his vehicle "weaving" on Mission street.

Finn, 922 Taraval street, was stopped at Mission circle and Bepler street by Officer James Sunderland and Sgt. David Hansen. He also was cited for failure to notify on change of address on his driver's license.

The hosiery executive flunked a sobriety test at Junipero Serra hospital. He posted $500 cash bail and is scheduled to appear in municipal court next Tuesday.

5 W'moor Students Slightly Hurt In Two-Car Accident

Five Westmoor students suffered slight injuries early Tuesday morning when the vehicle in which they were riding collided with another car in Westlake.

The accident occurred at the corner of Fairlawn avenue and Maddux drive. Police said the students car, driven by Larry M. Mulligan, 16, 331 Heathcliff drive, crashed into one driven by David L. McCoy, 34, 18 Clifton drive. No citations were issued but the report indicated Mulligan had violated the right of way.

Released after treatment at Junipero Serra hospital were Gail Sergianni, 484 Manor drive, Sharp Park; Sharon Sanders, 644 Lockhaven drive; Barbara J. Feliciano, 647 Southmoor drive; Theodore Gallegos, 687 Southmoor drive, and Lee Garza, 312 Heathcliff drive.

HI TRUSTEES OK HIRING 22 MORE TEACHERS IN '57

Trustees Monday night gave Superintendent Edward D. Morgan the "go ahead" signal to hire 22 new teachers for the 1957-58 school year in the Jefferson Union High School district.

Twenty will be added to the Westmoor faculty at a total salary outlay of $96,900. Addition of two more teachers at Jefferson will amount to $11,220 in salaries.

Also to be hired by next September will be six more secretarial workers, nine cafeteria employees eight custodians and two maintenance men.

Morgan indicated he has notified all local placement agencies and will begin hiring the new teachers after the first of the year.

The need for the new employees was outlined in detail in a principals' report submitted to trustees Monday night by John Mongan of Jefferson and Glenn South of Westmoor. The report was prepared in conjunction with a planning survey of district needs through the 1961-62 school year.

The report showed that Jefferson's current enrollment is 1182 and Westmoor 836. The superintendent estimated enrollments for the next five years by projecting current elementary enrollment. His totals were considerably lower than those forecast in the Stanford survey, which indicates the district will need five high schools by 1965 including 1750 students in each.

According to Morgan's figures, the new Westmoor plant will open next September with 1171 students and Jefferson will have 1197. A year later, Westmoor's total will be 1313 and Jefferson 1271.

If the new Sharp Park school is ready by September of 1950, the district will recommend the boundary line between Westmoor and Jefferson be changed to equalize enrollments at 1100 each. Projection shows that Jefferson would have 1385 students for the 1959-60 term, Westmoor 823 (including Sharp Park seniors) and Sharp Park 640.

Morgan pointed out that the Westmoor situation is critical. Every available space in the new school will be utilized for classrooms. He indicated the current plant doesn't include rooms for biology, general science, physics and all general shop classes.

South and faculty, the superintendent reported, are willing to use space not designed to house these classes for three or four years so the Sharp Park school can become a reality.

Westmoor's equipment and site development needs pose a severe problem. South's report calls for a $393,475 outlay to equip the plant by next September and $130,000 for site development on the lower athletic field a year later. Only $160,000 is budgeted, however, plus a contingency of $83,700.

Morgan said a portion of the money needed to equip and complete site development at Westmoor would have to come from the district's bond issue next spring, either in March or May. No state aid will be available for Westmoor and the money will have to come out of the current budget and the one for 1957-58.

The superintendent hopes to present to trustees his complete recommendations at the December 17 meeting on the size of the bond issue and the request for state aid shortly thereafter. The bond issue, he said, will be designed to cover the district program for the next five years.

Morgan was scheduled to confer with Elwood Lehman of the state division of school planning this Thursday to obtain full data on state aid.

Trustees will hold a special meeting on Monday, December 10, to complete their analysis of master inventories on Westmoor and Jefferson needs. They must act soon to decide price ranges of furniture for Westmoor in order to meet a bid and contract schedule proposed by South.

Meanwhile, the board is awaiting word from the district architect as to how much it will cost to have engineers provide a cost analysis of improvements at Jefferson as urged in the recent fire marshal's report.

In other business Monday, trustees:

1. Designated the December 17 meeting for discussion of the Classified Employees Section of the Administrative Code.

2. Heard the superintendent report that he has notified local placement agencies to obtain a district business manager.

3. Were notified of the Trustees' and Superintendents' conventions December 3-8 in San Francisco.

4. Reviewed a report from John J. Ivan indicating that Adult School enrollment for October was 439, with an average daily attendance of 53.9. This is double the enrollment of last year, according to the superintendent.

5. Approved warrants totaling $285,982.61.

Jittery Robber Gets $325 Cash From Loan Office

An "impatient" robber, hiding his gun in a paper bag, walked into the Fireside Thrift Finance Office at 1801 Junipero Serra boulevard Friday night and escaped with a cash haul of $325.

Victims were Edward Watson, 30, of San Francisco, the office manager, and Shirley Bingham, 22, of Colma, a clerk.

They told police the intruder entered about closing time. The visitor stepped to the counter and handed Watson a note which read, "Give me all the greenbacks. Be quick about it. I'm not fooling. I want all the currency."

Watson, thinking it was a joke, smiled and turned his back. He changed his mind, however, when the bandit thrust for a paper bag, which showed the gun protruding from a hole in the bottom. Watson then ordered Miss Bingham to do as requested.

After getting the cash, the robber forced the two into the rear room. Miss Bingham phoned police while the culprit was running from the front office.

Both victims said they didn't know if the man used a car since the shades in the front office were pulled down. They described the robber as 50 years of age, 5 feet 9 inches tall and weighing 190 pounds. He was wearing a black and white sports jacket, dark

'Moonwatch' Hopeful Asks For Volunteers

Got an extra $500 laying around?

If so you're a likely candidate to help sponsor the local version of a world-wide "Moonwatch" when the earth satellite is launched sometime within the next year.

Thousands of "Moonwatch" posts, to be manned by amateur astronomers and interested lay people, will be established throughout the world to help chart the course of the satellite, probably man's most auspicious undertaking.

Robert W. Moreno, 708 Niantic, Daly City, a PBX installer for the Pacific Telephone & Telegraph Co., has dreams of establishing a "Moonwatch" observatory in Daly City.

But as he explains, two important factors are necessary: eager volunteers to man the watch and some $500 to pay for 10 telescopes.

Business Sponsor

Moreno explained that in other communities business enterprises or service groups such as the Junior Chamber of Commerce are undertaking sponsorship.

Exact date when the project will start hasn't been announced but preliminary arrangements must be made well in advance, Moreno said.

Moreno emphasized that people working on the "Moonwatch" do not necessarily have to be scientists or astrophysicists, "but it helps to have at least a little experience with astronomy," he added.

Approximately 10 volunteers will be needed to scan the skies when the tiny satellite is sent zooming into space. Moreno says it would be much better if all the workers were from Daly iCty.

Geo-Physical Year

"Moonwatch" was launched this year as part of the activities observing the International Geo-Physical Year. In addition to scientists, most of the populace of the world will be breathlessly awaiting the launching of the tiny ball that will swing around the earth through outer space, recording heretofore unknown data on conditions beyond the earth's atmosphere.

The amateur "Moonwatch" workers will play a big part in helping scientists tabulate final information on the satellite.

If you're interested in the project, Moreno can be contacted at PL 6-2992, or at his home.

DALY CITY'S annual Operation Santa Claus gets full support from "Duke" (right), official mascot of San Bruno's Marine Corps Reserve 7th Infantry Battalion, which is sponsoring the big "Toys For Tots" drive again this year. All set to push the campaign locally are Pete Markovich, city chairman for the project, and Fire Chief Elmer Kennedy. Toys will be collected by children in the Jefferson Elementary district and distributed to underprivileged youngsters under the direction of Chief Kennedy.

Broadmoor Cops Book SF Railway Worker On Drunk-In-Auto Count

Broadmoor police booked a 34-year-old San Francisco municipal railway trackman for being drunk in and about an auto early Tuesday morning.

Officer Charles Manning made the arerst after he said he found Alex West, 229 Mossele street, slumped over the steering wheel of his car parked on Junipero Serra near Pierce street. The vehicle was on the shoulder of the road with its lights on.

West flunked a sobriety test at Junipero Serra hospital. Bail was set at $50 cash or $100 bond. He is due to appear in municipal court next Thursday.

Trustee Claims Council Action 'Hurt' District

A representative of Jefferson Elementary School district charged Monday night that the city council "jeopardized" the schools by annexing the McKeon property (Zanone lands) before provision was made for school sites.

Remarks by Trustee Hartley Appleton touched off a sharp verbal exchange between the city council and the school district.

After Appleton had orated intermittently during the evening about the council's alleged failure to follow through on a mutual "understanding" about school sites, Councilman Michael De Bernardi countered that the city "should be complimented for its cooperation with the schools."

De Bernardi said "over zealous orators have been up here repeating the same things over and over. I don't know whether it's political aspirations . . . or what, but I don't think the council should be harpooned about the schools every five minutes."

Appleton jumped to his feet and retorted, "I believe De Bernardi's remarks are directed at me. I want you to know, I have no political aspirations whatever. I don't feel the school district has been given fair treatment from the city. You shouldn't have annexed the property without an agreement from the McKeons on school sites. We had an understanding that you wouldn't annex until a formula was reached for purchase of school sites."

Councilman Paul Hupf answered that, "I recall no such understanding. Hupf said the city could still cooperate with the schools through its powers of zoning for the new area and reviewing subdivision maps. "We will not delay an annexation for the schools and surrender a most important function of city government," Hupf continued.

Appleton charged that while

ABC Agents Halt Firemen's Dance: No Booze License

Alcoholic Beverage Control agents "spoiled" the fun of 250 people attending the annual Colma Fire District's Widows' and Orphans' Ball Saturday night at Colombo Hall as they halted the festivities and cited the organization for selling liquor without a license.

The state agents, accompanied by Officer George Carlton of the Broadmoor Police Department, raided the hall at 11 p.m. They confiscated $400 worth of liquor, which included four cases of whiskey and 20 cases of beer.

Officials of the dance committee, "shocked" by the intrusion, said this is the first time they've encountered trouble with the ABC, although the dance has been a regular affair since the district was organized.

Broadmoor Police Chief Ray Savage said the ABC agents "just happened to be in the area checking other bars" when they decided to investigate the Colombo Hall activity.

Earlier in the evening Superintendent H. Z. Weibel related that other cities throughout the county had withheld annexations until school site provisions were made. He said the city had a "moral obligation to do all it can to help the school situation."

George McKeon of the Zita Corporation had verbally indicated his willingness to provide school sites, he would put nothing in writing.

CONSTRUCTION will start immediately on the new quarters of the California State Motor Vehicle department building on Southgate avenue in Westlake, it was announced yesterday. The new building, to replace the cramped quarters at 6165 Mission street in Daly City, will have 3000 square feet of office space, plus an adequate off-street parking area. The motor vehicle edifice is to be located next to the new Westlake branch of the United States post office and will be leased by Thelhendo, Inc., a Henry Doelger enterprise.

CONSTRUCTION STARTS ON NEW W'LAKE MOTOR VEHICLE OFFICE

Construction has started on Southgate avenue in Westlake for the new quarters of the Department of Motor Vehicles.

With a 50 foot frontage on Southgate, the new building for the State agency will occupy 3000 square feet, plus an additional 900 square feet engineer inspection area in the rear of the modern frame and stucco structure.

When completed, the new quarters will offer all the services of the department for the northern part of San Mateo county, Westlake, Daly City, Coastside area, and southern San Francisco county. Licenses, both new and renewal for drivers, car registration and transfers will be handled by the Southgate location, it was said.

Plans call for a public lobby of the entire 50-foot frontage, with a 20-foot counter facing the street. Two 24-foot service counters will flank the front counter, with adequate room to handle expected crowds during the issuance of new license plates for both private and commercial vehicles. Two interview rooms have been included in the plans, while men and women's rest rooms will be installed.

According to Stanley Seaton, Daly City manager for the DMV, the new facilities will offer greater convenience for the motoring public insofar as the Westlake area has less motor congestion and will given new drivers passing road tests a better opportunity to receive driver's licenses without driving in congested areas.

Seaton also announced the present staff of seven employees will be moved to the new Southgate location when the building is completed early in 1957.

The DMV will adjoin the Westlake branch of the United States Post Office, now under construction, and will conform to the present construction on Southgate avenue.

WIA SCORES CITY PLANNERS OK OF FENCE VARIANCES

The Westlake Improvement association hinted Monday night that another lawsuit may be in the offing if the City of Daly City persists in allowing construction of fences higher than the six-foot maximum established by city ordinance.

Protesting against variances granted recently by the City planning commission which allowed construction of fences seven feet and higher in Westlake, Hartley Appleton, association attorney, told the city council the action amounted to a violation of restrictive covenants that run with the property. The covenants, part of the deed, stipulate that no fence may be higher than five feet.

Variances granted by the planners included fences in excess of seven feet for the homes of C. J. Roullier, 1361 South Mayfair; Albert Faraolo, 1417 South Mayfair; and Lee Calcagno, 1409 South Mayfair.

Appleton said the restrictions were recorded in the deed and were part of the subdivisions bylaws. He said no fence should be erected in Westlake without approval of the association's bylaws committee.

"If you attempt to violate these covenants we may have to proceed with law and equity action," Appleton threatened, claiming, "The planning commission has no right to change this."

Acting Mayor Sanford Vickers questioned whether the city should "act as a liaison between the homeowners and the Westlake Improvement association. Why should we settle your affairs?"

"I agree," answered Appleton. "But the planning commission got ahead of us. They told these people to 'get your nails and boards and put up your fences' before the council even heard of this."

The council turned the matter over to City Attorney Frank Blum, who is scheduled to make a ruling next Wednesday.

'City of Westlake' To Bring Santa Here Friday Night

Santa Claus arrives Friday night via the "City of Westlake" at Westlake Shopping Center. He is scheduled to pull into the station at 7:30 p.m. after his trip south from the North Pole.

After his arrival here, he will visit with his small friends in the shopping center and then be at his North Pole headquarters all day Saturday to receive the requests of his small friends.

At the same time, he announced he will have candy and gifts for all his small boys and girls and will be in Westlake every afternoon from December 7 until Christmas eve.

Coincidental with his arrival, Barney Etcheverry, president of the Westlake Merchants and Professional association, announced the fun center will be in operation every day of the week. Kiddie rides and adult rides, in addition to the famed "City of Westlake" and the Westlake "Streamliner" miniature trains, are available for the amusement of the children.

Santa Claus will tour the entire Westlake Shopping Center and also will be on hand during his visit in the Southgate shopping area.

Etcheverry announced yesterday that all stores in both Westlake and Southegate will remain open every evening until Christmas, starting December 10.

W'lake Man, 50, 'Critical' After Pill Overdose

A 50-year-old Westlake man was still in critical condition today after he failed in an apparent suicide attempt Saturday morning at his apartment.

Exactly seven days from now, the Junior Prom will be held in the school cafeteria from 8:30 to 11:30 p.m. The Al Caffejian dance band will be on hand to entertain students attending the dance entitled "Winter Fantasy." Refreshments will be served through the courtesy of the PTA.

Band Shines

On November 17, Jeff's band and majorettes attended the California-Washington State football game at Berkeley in observance of the annual "band day." On arrival, the band practiced numbers to be played at half time, and the majorettes were taught various routines. Although the band was small compared to others, it did a fine job in displaying Jeff's fine school spirit under the direction of Al Runnells, band instructor.

An exchange rally was held last Wednesday in the gym after 4th period to introduce South City's pep girls, yell leaders, football coach and school president. After the rally, a special "Hi-Fi Dance" was held in the cafeteria for the purpose of showing students the usefulness of the new Seaburg Selectomatic Library, which the school recently acquired.

Special Treat

The cast and members of the production staff of "The Man Who Came to Dinner" were treated to a dinner at Dan's Italian Dinners in Moss Beach Tuesday evening last week. Those attending were Judy Seaton, Ray Sullivan, Linda Huffman, Sandra Karn, Ron McLain, Phyllis Thur, Wilma Tholen, Mary Ellen Ellis, Roger Filippelli, Sharlee Nelson, Tom Battaglia, Bruce Freeland, Emily Thomas, Jim D'Amour, John Dutcher, Ron Johnson, Richard Hall, Ray Navarra, Linda Wienholz, Jack Rabedew, Harold Sharp, Phil Delucchi, Gil Campbell, Alda Caggiano, Mike Calvello, Cecile Champagne, Gail Duncan, Martha Yahraes, Dixie DuBois, Darlene Hess, Juanita O'Toole, Mary Lou Evans, Joan Crawford and Sylvia Crawford. WARRIOR AERIALS RIP AROUSED JEFF, 25-13

Jefferson's Bill Riedstra Makes All-League Team

Bill Riedstra, 175-pound senior Jefferson guard, was named to the 1956 All-North PAL Football Team today as announced by the Peninsula Sportswriters' Association.

Teammate Tom Cloutier, 200-pound end standout, also a senior, was listed on the Honorable Mention squad.

"Player Of The Year" in the North PAL was bestowed upon Joe Butcher, South City's rugged 174-pound guard.

Only two teams were selected this season. Ballotting was so close that 12 men were placed on the first-string. The Honorable Mention squad included four ends and three tackles.

Co-Champs Capuchino and South City dominated the first-string list with four players each.

Commenting on the selections, Coach Joe McGrath cited Riedstra "as one of the best players I've coached." The Jeff mentor lauded Bill for outstanding two-way duty all season.

Cloutier, a solid college prospect, was Jeff's top pass snagger. He paced the league in pass receptions, snaring 13 aerials for 276 yards and two touchdowns. A troublesome knee injury, however, greatly hampered his chances for the all-loop first team.

A weird third quarter spoiled outmanned Jefferson's bid for a corking upset Turkey Day as a jittery South City eleven bolted to a 25-13 decision over the Indians in their 32nd annual argument.

The hard-earned triumph gave the Warriors a share of the North PAL title with Capuchino. The Mustangs also finished with a 5-1 mark by downing stubborn Hillsdale, 27-12.

Strong Showing

For two periods Thursday it looked like Coach Joe McGrath's huskies were on their way to a stunning reversal.

They dominated the first half with deep penetrations into Warrior territory but ran out of gas on each occasion. It was 0-0 at the intermission and things appeared grim for the visitors.

South City justified the odds, however, breaking loose for three tallies in the third quarter and adding the clincher early in the final period. This put Jeff behind 25-0 and for all purposes they were out of it.

Paul Tapia's passing made the final count respectable as he hit Gary Ryan and Dan Miceli for six pointers within the last four minutes.

Air Strikes

QB Steve Anderson, only 15, was the Warrior hero, tossing three times to End Jim Felsenthal for scores and setting up the other march with pinpoint aerials.

The first Warrior score came 2⅓ minutes into the third quarter on the fifth play of a series. Jim Stireman, who wound up with 126 ground yards, capped it with a 35-yard off tackle slant.

Next time they got the ball the invaders went all the way. Anderson hit Felsenthal twice en route, the last on a 30-yard shot.

Stireman grabbed a fumble on the ensuing kickoff and South City again rolled from the Indian 35. Anderson completed thet thrust with a 29-yarder to Felsenthal.

South City's clinching drive covered 65 yards in four plays early in the final stanza. Anderson clicked to Felsenthal again on a 62-yard maneuver to make it 25-0.

Narrows Count

Tapia, who saw limited duty because of fractured finger, provided the lone Jeff punch. He passed to Ryan four times to pave the first Indian score with four minutes left and engineered the last push with just two minutes remaining.

Game standouts for Jeff, according to McGrath, were Guard Bill Riedstra, an all-league choice, and Tackle George McNutt. Anderson, Felsenthal and Stireman hooged honors for the Warriors.

South City led in all departments. First downs were 16-10, and total yards, 321-178. Anderson accumulated 174 yards upstairs on seven completions, while Tapia and Miceli combined for 102 on 12 strikes in 26 attempts.

South City now has won 18 games from the Indians in their historic series. The Indians have 10 wins and five games were ties.

Dismal Season

Thursday's windup left the McGrath troops with a 1-4-1 league record and 1-6-1 for the season. Jeff faces a tremendous rebuilding job next season as 23 seniors, 10 of them first stringers, bowed out in last week's clash. Key returnees next fall will be backfielders Tapia and Sonny Martinez and ends Ryan and Bob Berry.

Injuries to mainstays accounted for Jeff's dismal showing this season where hurts sidelined FB Lee Casentini and halves Ed Leveroni and Martinez.

HAULING IN a long one from QB Dan Miceli during the second quarter of the Turkey Day titanic with South City is Jeff's Tom Cloutier, top receiver in the North PAL. Giving chase are Warriors Ed Giachetti (27) and Lou Agliolo. Cloutier gained honorable mention on the all-league team.

Orlich Eyes Crown As Jeff Fives Open Drills

Optimism skyrocketed at Jeff gym this week as Indian varsity and 30's cagers opened drills for a long campaign on the hardwoods.

Coach Mike Orlich beamed when he greeted 23 varsity candidates—and for good reason. Among them were three first stringers from last year, a nucleus that could take the Tribe all the way to the top.

The big guns are '55 mainstays Larry Pottinger, 6-4, and Bob Comstock, 6-2, at forwards, and gridder Tom Cloutier, 6-4, at center. Another dependable is Delmar Scott, also 6-4, who saw reserve duty a year ago at guard.

Up from the 30's are ex-first stringers Gary Ryan, Dennis Marc, Barry Haanen and Fuzzy Firth. Others promising candidates are LeRoy Franzoia, Jim Farley, John Finley, Pete Garcia, Mickey Rae and Jack Klassen.

Orlich believes this could be Jeff's best year in the PAL scramble since '53, when the Indians copped the title with a 12-0 mark and were 25-3 for the season. A year later Jeff lost the crown in a playoff with Capuchino. Last season Orlich's squad led the loop with a 5-1 mark at the midway point, but folded and finished at 5-5. One of their wins was over champion San Mateo.

Thirty-four hopefuls are out for Steve Mezzera's 30's. Topping the list are Ernie Howren, a '55 regular, and Wayne Lewis, up from the 20's.

Opening action of Jeff's fives will be next Tuesday afternoon at Temalpais. Friday and Saturday they will play in the Hayward Invitational. Jeff took third in the tourney last year, with Pottinger named to the all-tourney team.

North PAL debut of the locals will be January 4 as Jeff hosts San Mateo at 7:30 p.m.

Green W'moor Quints In Debut Next Week

About 50 "untried but eager" candidates turned out for Westmoor's first varsity and 30's basketball teams Tuesday.

The Ram quints, tutored by Tony Giammona and Byron Van Alstyne, will play an exhibition schedule this inaugural year. They're booked for 13 games to date, starting off next Friday afternoon at 3:15 o'clock against Lick Wilmerding in San Francisco.

WINDING UP a two-month campaign last week were Duffy's Corner horsehiders. They finished second in the Daly City Recreation League and third in the Saturday Mid-Winter loop. Their overall record was seven wins, nine losses and a tie. Back row (left to right): Terry Christman, Billy Ludwigsen, Tom McHugh, Barry Krohn, Manager Lowell Creighton and Mike Lanthier. Front row: Billy Hix, Mike Wall, Mike Kennedy, Mike Koval and Bill Hynes.

Gantert Zooms San Pedro Keglers Into Loop Lead

San Pedro Lunch's keglers climaxed a long uphill climb Tuesday night by taking over first place in the torrid Daly City-Colma League as McGahey & Olson tumbled to second.

A sensation performance by Tom Gantert put the Lunchmen atop the circuit as they blanked Donnellan Realty in three games. Gantert copped both high series and high singles for the night with 615 and 231, respectively.

McGahey & Olson stepped down from their lofty perch by losing to Carlos Pizzeria, 2-1.

Carmona Chemical split-decisioned Towne House to drop the South Cityans further back in third place.

In other action, Daly City Cleaners dimmed Brisbane Market's title hopes by whitewashing the hillsiders, and 2-1 verdicts were chalked up by Vince & Fred's over Westlake Homes, Luce Meats over Plaza Furniture, Bank of America over Thur Meats, and Paul's Flower's over doormat Edisco.

Next week's action pits San Pedro against Paul's Flowers, McGahey & Olson and Thur Meats, Town House and Westlake Homes and Brisbane versus Luce Meats.

Cubberley Passes To 27-7 Victory Over Ram Squad

Spunky Cubberly of Palo Alto took to the air for three touchdowns last week to down a stubborn Westmoor varsity, 27-7, in a rematch on the winner's field.

The game capped the baptismal season for both clubs, leaving Coach Dutch Meyer's boys with a 1-6 mark. The Cougars posted a top heavy 7-1 slate. Both teams will be in the PAL next year.

Much Closer

Wednesday battle was a far cry from their initial meeting, won in a breeze by the Cougars, 46-6. The Rams more than held their own until they were dynamited by quick air strikes.

Westmoor yielded a touchdown early in the first period via a bruising Cougar march. But the Rams fought right back to make it 7-all first time they got the ball.

Larry Harper led the 70-yard Ram thrust with slick handoffs and a 12-yard toss to Larry Schoenfeldt. Harper got the six points on a three-yard buck and hit Sid Swanson upstairs for the extra point. Sharing the ground yardage en route to paydirt were hard running Leo Wyreck, Rich Hottal and Bob Roller.

Click Upstairs

Stymied on the ground by a defense sperked by Bob Simi and Paul Giomi, the Cougars clicked in each of the remaining quarters on long sky shots to cinch the contest.

Meyer and aide Will Stensland were much impressed with their huskies. The called Simi, Giomi, Swanson and Schoenfeldt "standouts" up front, and praised a "well balanced" Ram backfield.

The curtain dropper was one of Westmoor's best games of the campaign. In other tilts they lost to Sunnyvale, 39-0, Los Altos twice, 39-0 and 52-15, and South City's Jeyvees, 19-6. Their lone win was a 13-0 job over Riordan's Jayvees.

BYA CAGERS BUMPED OUT OF CITY MEET IN FIRST TILT, 10-5

Broadmoor Youth Association's cagers were knocked out of the annual Seventh and Eighth Grade Elimination Basketball tournament Saturday in the first round by St. Gabriel's squad, 10-5.

Holy Angels won its first tilt but was nipped in its next game by St. Gabriel's, 6-4.

In the seventh grade windup, St. Stephen's came from behind in the last period to wallop St. Gabriel's Babes, 46-30.

NAVY HIKES QUOTA FOR ENLISTMENTS DURING NOVEMBER

Sixteen per cent increase in the November monthly quota for regular enlistments in the U. S. Navy for the San Francisco Recruiting District was announced today by Commander W. D. Owen, USN, Officer-in-Charge for Navy recruiting here.

Because of additional manpower needs contemplated for the new and larger additions to the Fleet, the Navy requires 316 instead of 272 enlistments during the current month in the Northern California and Western Nevada area.

Quality, however, is still mandatory for all prospective applicants. The Navy has not lowered its mental requirements, the announcement said.

EX-INDIANS BOLSTER MATEO COLLEGE FIVE

Village Notes

By Gwin Mitchell

PL 5-0679

With the typewriter back from the hospital, we find a notebook full of jottings at hand for publication this week.

The Reyes home on Midway was one happy place this holiday past. Enrique arrived home from the south Pacific area a week before Thanksgiving, after six months away. Since he will be home for quite a while, and also since he is an engineer, wife Florence has at hand a lengthy list of projects around the house to be engineered into accomplishment! Celebration of the homecoming was augmented by family Thanksgiving dinner at the Dolores and Ted Winquist home on Thornhill; Dolores is Enrique's sister. Christmas dinner will be at the Reyes home, we hear.

Round down on 88th street, Robby Parkison turned 5, and had friends and classmates in to share the fun of the event. Guests Donny Frost, Kenny Tonnissen, Craig Delzelle, Drew Miceli, Cathy Milani, Cinde Phillips, and Claudia Boddington were all glad they had been invited.

Exit Southbound

Speaking of Craig Dalzelle, he and his family left Washington Street for San Bruno. It being a small world (trite, but true), the Dalzelles are now living across the street from our brother-in-law, and Gloria D. discovered she had been to high school with our sister-in-law. There are some other friends of Broadmoorites down that way, too; we once tried to go into the complications of how many families farther south knew families here, but it became something too similar to Gilbert and Sullivan's Nightmare Song, so we let it strictly alone!

Sorry to report that many people have not been well, among them Cathy Meade, Dickie Esposto, Ginger Delfino, Nita Delfino, Pat Stockslager, Margaret Swedberg and Mary Burgers. There are probably others, unfortunately, so herewith a widespread wish that everyone gets well in time for Christmas. Dickie E. had one bright spot in the middle of his flu spell; his teacher, Mrs. Griswold, came to see him, and to bring him his report card. Bouquets to Mrs. G., and to all the other teachers who add the extra touches that make our children's lives a little richer.

Turkey Day Jinx

Speaking of not feeling well, the O'Brien family of Thornhill had what could only be called a calamitous Thanksgiving. While Mary Jane was trying to prepare dinner, young Gene fell out of a wagon and had to have four stitches. Then big Gene broke his thumb while hammering (Vi Murphy to the immediate rescue, per usual!), which meant a trip to the hospital in the middle of things. Then young Michael came down with a high fever and bronchitis, and the baby, Midge, had to have the vaporizer all night. To top it off, the day after Thanksgiving, Timmy broke a chip off a permanent tooth. We don't want to hear anybody complain around our house, after this tale of woe! Here's hoping the O'Briens clear all the calamities out of the way by Christmas!

Not all O'Brien news has been bad, though. May we mention in passing the gay occasion of Steve's 8th birthday, a day when Daddy took all the party people to the fun house. (This was before the thumb.) Tommy Bocci, Jimmy Buchanan, Robby Reed, Michael Feldman, Tommy Crofton and Ricky Gantert, plus assorted O'Brien brothers, made up the entourage and had a fine time.

Big event up Garden Lane way was the athletic department (Jeff Hi) dinner Mike and Dorothy Orlich gave at their lovely home. Guests included Joe McGrath, Bob Watt (recently a new father; congratulations, Bob!), Nancy Brown, Annette Insell, Marge Erickson, Steve Meserra, and Ed and Winifred Morgan. Knowing the Orlich hospitality, we're sure everyone had a wonderful time.

Et Cetera

Around and about: The Eagletons belong to that new blue Ford station wagon on Nimitz. . . . The young lady who sang so well at the potluck dinner at Broadmoor Presbyterian Church was Mary Jean Marchetti, who attended as guest of Frances and Harriet Riggar. So many people went that there were not enough table settings, so some had to balance plates in their laps. A song-fest and games rounded the evening off in high style. . . . Thanksgiving was very special for young Tommy Helmer of Maddux. He was christened that day, so dinner was in his honor. . . . Gilman drive will be losing the Whitehouse family too soon. . . . The Ralph Diers had a change of transfer orders, so departed for Seattle instead of LA, as previously planned. . . . We hear that it won't be long before Stewart will be definitely one way, west. A blessing; the traffic bottleneck is horrible these days, and dangerous, as well. . . . Brave Betty Chinevere of Maddux had 23 people for Thanksgiving dinner, 11 of whom were children, but it didn't bother her much. Husband Harold cooked the meal!

On the subject of big family dinners, Marion and Ross Hilton and tribe departed from the corner of Maddux and joined other members of their family at the summer home in Felton. Total gathering numbered 26, with 8 children, and the cooks were Ross' father and uncle. Bill-of-fare included a turkey and a barbequed roast beef.

Something Different

A different kind of holiday was spent by Mary and Ray Lichtenberg and their daughters Beth and Rayme. Instead of dinner ta home on Louvaine, they carried a picnic lunch and went pheasant hunting at Williams. This is how they've been spending the last three or four Thanksgivings, and they find it quite a family treat. After a day home on Friday, they took off again for the weekend, and went on up to Willows for more pheasant hunting. You can tell from this, if you didn't know already, that this family likes the outdoors, a thing their dog is quite glad about!

There never seems to be a season that doesn't find time for a Tupperware party or two, and in this case, it is two. Mary Jane O'Brien hostessed one on Thornhill, with her mother, Marge Musto, supplying the house. With Helen English as demonstrator, the wares displayed tempted guests Carmen Navarro, Eileen Crofton, Bea Gantert, Vi Murphy, Billie Buchanan, Dolores Reed, and Grace Cofton into some Christmas gift-shopping for kitchens.

Second party, with Helen English again at the helm, belonged to Jackie Hayes of Stewart. Among the guests were three Virginias—Mesdames Hayes, Kenney and Parker, and Billie Scafedi, Yvonne Nelson, Thelma Christopherson, Delia Delfino, Stella Hayes, Charlene Miriani, Rowena Ray, Dolores Attell, Meredith Orloff and Hilda Nicholas. The word is that Jackie was a most successful hostess, and the party was quite something.

Bike Victim

While on Stewart, we checked with Ruth Brown to find out how son Jimmy is after his bicycle fall on 87th street a while back. She reports that he feels fine, but has to take things easy until after the holidays, since he did have a concussion. That is a hard thing for a young man to do, when the weather is just right for ball, running, wrestling, etc. Jimmy's accident didn't come from riding double on a bike, but two recent ones did, and one was serious. That makes about a half dozen we've heard of within the last year because of feet being caught in the spokes of the front wheel, and that's too many. Safety rules from police, Scouts and other organizations all stress not riding double, so how about it, kids?

In spite of a turned ankle, Aida Larsen of Garden lane is still happy. Reason? Her in-laws, the Thomas Edwards, have been visiting here for a week or so. They live in Anchorage, Alaska, but plan to spend this winter in Santa Rosa. Aida's boys think it's especially nice to have grandparents around, particularly at holiday time, and they probably are voicing a majority opinion among Village small fry.

The special 4 p.m. service at Grace Cathedral the Sunday before Thanksgiving saw the Rev. John Glasse walking in the processional, and Presbyterian choir members Delman Severy, Clare Wittig, Elsie McLaren, and Dorothy Spratt taking part in musical offerings.

Potluck Spaghetti

In addition to this, Clare, a Stoneyford resident, was one of the group of young people who met at Jim Treanor's home for a potluck spaghetti dinner after an afternoon of bowling at Brentwood, one of the several projects the Westminster Fellowship has planned for the year. She told us that the group wishes that former active members, now inactive, would join in once more to enjoy the good times coming up.

Den 1 of Cub Pack 259 had a surprise at their den meeting a couple of weeks ago when Cub Clyde David Cleveland shared a very specially baked cake with the rest of the gang in honor of his 10th birthday. With Den Mothers Helen Mackintosh and Rose Davy as chief hostesses at the Mackintosh home on Washington, Cubs Richard and Bill Cashdollar, Jimmy Swoverland, John Davy, Steve Mackintosh, Jack Mitchell, Bill Beck and Den Leader Jim Lair enjoyed that cake down to the last crumb.

Apropos birthdays, Wildwood's Gloria Cauchi had one recently, too. It wasn't her 10th, but that's all we're telling! There was a family dinner in her honor, and a gathering afterward. Even so, she found time to report, as membership chairman, a t the James L. Snell PTA meeting. From what we hear, one of her presents should have been a subway turnstile. This would be installed in the middle of her back fence, at the place where everyone climbs through her flower bed and over said fence to take the short cut through the trestle road to Westlake. Might make enough to keep ahead of damages! May we add our birthday wish to one of the happiest gals we know.

Three DC Leathernecks Complete Boot Training

Three Daly City youths completed recruit training last week at the Marine Corps center in San Diego.

They are Frank H. Cirimele, 51 San Joaquin avenue; Donald J. Ricci, son of Mr. and Mrs. Tony Ricci, 160 Peoria street, and Vern S. Waligora, son of Mr. and Mrs. Stanley Waligora, 145 San Diego avenue.

PHEASANTS

California hunters bagged 666,500 pheasants during the 1955 season, reports the National Automobile Club. That represents an increase of 18 per cent over the number bagged in 1954.

Upon completion of training the Leathernecks are assigned to Camp Pendleton, California, for further infantry training, or to one of the many Marine Corps schools.

C of C President Cites D C History At P T A Meetng

Hugh H. Smith Jr., president of Daly City Chamber of Commerce, was the principal speaker last week at the Woodrow Wilson PTA unit meeting, held at the school. Following this year's theme, "Our Investment in America," the evening program featured "home and family" and "forefathers of our community." Smith, who is a member of a pioneer Daly City family and whose father was a former Daly City mayor, spoke on past times in the community. The many members and visitors heard Smith compare the community's reaction to school bonds then and now—how they used to vote and how they vote now.

The Rev. J. Richard Friedline also spoke on his Translation of Thanksgiving. Using slides that he had taken on his recent trip to Europe and the Near East, he pointed out many of the blessings of living in America "which many of us take for granted."

The program was concluded with the singing of "Thanksgiving" and "Come Ye Thankful Peopel, Come," by Miss Cornell's third grade class, who is keeping with their theme were wearing minature pilgrim collars and ties.

Before adjourning the meeting Mrs. John Spittler, president, announced that the "Toys for Tots" program sponsored by the Marine Corp. Reserve would be concluded December 5. She also requested volunteers to help the dental hygienist with the dental survey of the pupils which will begin in January under the direction of Mrs. Helen Delafield, Jefferson Elementary school district health coordinator. Those interested in serving may call Mrs. Spittler at PL 5-1931.

VIRGINIA CLET BECOMES MRS. ALLEN FEATHERSTONE

Miss Virginia Eva Clet became the bride of Allen R. Featherstone in a wedding ceremony at Holy Angels church last Saturday.

The bride is the daughter of Mr. and Mrs. Henry P. Clet of 779 Hillside boulevard. Before her marriage, Virginia was employed by the Metropolitan Life Insurance company in San Francisco after graduation from Balboa high school.

Her husband Allen, son of Mr. and Mrs. Garnet I. Featherstone of San Francisco, is a graduate of Commerce high school. He is employed by the Pacific Telegraph and Telephone company in San Francisco.

For her wedding the bride chose a white ankle length gown of tiered lace over nylon. Her fingertip veil was adorned with a crown of seed pearls.

Carrying a bridal bouquet of Stephanotis and a white orchid, she was served by her matron of honor, Mrs. Judith Clet, and three bridesmaids, Ardene Featherstone, Joyce Cropper and Gloria Cloke, who were gowned in pink and blue lace over nylon and accented by pink and blue carnations tied with pink and blue bows.

Best man was Vincent H. Clet. Ushers for the beautiful ceremony were Gilbert Bell, Warren Webb and Terry Hunter.

Mrs. Clet, wearing a beige print cocktail gown with a full skirt and scooped back, received in the reception line. She was assisted by the groom's mother, who was attractively gowned in a pale blue taffeta cocktail dress with a deep blue velvet belt.

For her going-away costume, Virginia selected a square neckline navy blue dress complimented with red accessories.

The newlyweds will make their home in Westlake after a honeymoon in southern California.

Mr. and Mrs. B. Jackson of Santa Barbara were special guests for the wedding and reception hosted by Clarence Copeland at the F.O.E. hall.

OLPH MEN'S PAPER DRIVE ENDS DEC. 8

The OLPH Men's Club is in the midst of a big paper drive. "The drive started in October and the response by Daly City children has been terrific," the club said..

There is a cash award of $5 for the child bringing in the most paper, and other prizes for the contesetnts.

The churchmen said there is still time for children to enter the contest. Children wishing to participate are asked to save newspapers, tie them in ordinary bundles, tag the bundles with their name and address, and bring the paper to the OLPH School Yard, 80 Wellington avenue on December 8. Children unable to bring their paper to the school yard can telephone PL 5-0069, PL 5-4410 or PL 5-4673 and the papers will be picked up.

Any child accumulating more paper than he can conveniently store at home can also telephone one of the above numbers and the paper will be picked up. Magazines may be turned in with the newspapers, but contestants will not receive credit for them, as the cash award to be presented to the winner on December 8 is for newspapers only. All of the children are invited to participate. Children already participating have been encouraged to keep saving paper.

Since 1899, more than, 2.25 million U. S. patents have been issued. According to the National Automobile Club, about one out of five of these were automotive.

News From Here & There

By Eleanor Doyle

LINDA OFFENBACH celebrated her 11th year last Saturday, by taking her guests to the Fun House and then back to her home on Abbot, where some rather tired and hungry youngsters enjoyed party treats. A wonderful time was had by: Judy Willoughby, Carole Bernardini, Linda Nofziger, Paulette Fierce and Lindas two sisters, Gail and Janet.

On November 10, MASTER PAUL JOSEPH the second, checked into the Stanford hospital, tipping the scales at six pounds, nine ounces. This lad is the first child of the PAUL JOSEPH STAPLETONS, of Hillside Blvd., and has for grandparents, Mr. and Mrs. Thomas T. Smith of St. Albans, Vermont, and Mrs. Sylvester Stapleton of New York City.

Congratulations to MATTRUP JENSENS of D street, Colma, who became great-grandparents (for the very first time on November eleventh) of MISS MARTHA JOE. The proud parents are the RICHARD PINROSES of Sonora, while the duties of grandparents have gone to Mr. and Mrs. William Gohl (the former Josephine Jensen) of Burlingame.

During Thanksgiving week, the Jensens had as their houseguest Mrs. C. V. Henry of Porterville.

PATRICK FRANUSICH'S (of Templeton) recent corrective surgery on his right leg has been so successful that last Friday he was able to leave the Shriners' hospital, after almost three months there. It is expected that by March he will be able to discard his brace. In the meantime, PATRICK has joined his classmates and friends in Miss Fox's class at Pershing school.

Latest news from Maywood drive is that the PETER PAPPAGEORGES have become a family of four, due to the arrival on November 12 at Stanford hospital of NICHOLAS JAMES, who checked in at seven pounds, four and a half ounces. The baby's "big" sister is two-year-old STEPHANIE. Proud grandmothers are Mrs. Catherine Delis and Mrs. Stella Pappageorge, both of San Francisco.

A luncheon party preceded an afternoon visit to the Fun House recently when MISS SUSAN KIRSCHNER of B street, Colma, observed her tenth birthday. A grand time was enjoyed by: Linda Edgeman, Linda Gaston, Irene Taylor, Yvonne Mathews, Karen Kirschner, Richard Hillman, Christine Christiano, David Lewis and Susan's dad, TED, who chaperoned the escapade.

Last Saturday evening the LANGWELLS, EMMETT and PAULINE, on Templeton, hosted a pot luck dinner, given by the members of the GABBY EIGHT club and their husbands. A good time was had by: George and Betsy Day, Walt and Lou Scarioni, John and Delores Soomann, Harvey and Gerry Smith, Bob and Muriel Keith and Clyde and Mary Noe, who came over from Marin County for the get-together.

Another recent birthday boy was DENNIS CARLASCIO on Abbot who had a fifth one to celebrate and decided to share it with some of his friends. The party festivities were fun for: Jimmie McGuire, Jimmie Ragoni, Michael Quinteros, Ralph and Sheryl Carlascio, Mark Baker, Windy and Forrest Rourke, Debby Macci, Steve and Cindy Carr.

Birthdays have come and gone for . . . GLORIA MADRID on Bismark . . . JEANNIE AMAROLI on Baldwin . . . Dale Heneise on Abbot . . . DAVID and JOSEPH Ballentini of East Market . . . STEVE MACK on East Vista . . . PATTY KAHLE of Second avenue . . . and JOE LUCCHESI on Hillside boulevard.

Many happy returns to FRANKIE BURGER on Abbot who will be claiming his 14th year in a few days . . . while JANICE TAYLOR on Price will be celebrating her eighth on December 5.

JODY LOUISE is the new third daughter of the PAUL DOYLES on Bismark, who made her debut at St. Mary's, weighing in at four pounds, seven ounces on November 3. However, MISS JODY was unable to take up residency with the DOYLES until November 9, after reaching the five-pound mark.

The new addition was welcomed home by DEBORAH, six, SHEILA, three, and the baby's maternal grandmother, Mrs. Jean Nordren. The children's paternal grandparents are Mr. and Mrs. Clyde Marshman of Livermore.

Just a few weeks ago CURTIS REZENDES of Clark street, Colma, joined his friends and classmates in Miss Fletchers' second grade class at Colma school, after being in a body cast for five months, due to a car injury.

Rezendes is also off the convalescent list after spending a week at St. Mary's for a back injury.

After completing 13 weeks of basic training with Marine Corps in San Diego, PRIVATES DONALD RICCI and VERNO WALIGORA are now stationed at Camp Pendleton for combat training. Their buddy, FRANK CIRIMELE, is convalescing at the Naval hospital in San Diego after undergoing surgery Thanksgiving Day. He hopes to rejoin his friends in about three weeks.

Instead of their usual weekly meeting, the Girl Scouts in the BADGER PATROL of Troop 154 enjoyed a hike and picnic lunch in the Crocker hills last Friday. The following girls attended, accompanied by MRS. DORIS OFFENBACH of Abbot, their patrol leader: Judy Anderson, Marilyn Brown, Judy Willoughby, Priscilla Gruenwald, Linda Offenbach and Carole Bernardini.

Belated anniversary wishes to . . . BUD and ZELLA HENEISE on Abbot, who have just observed their 17th year as Mr. and Mrs. . . . TED and LYDIA KIRSCHNER, B street, Colma, who recently claimed their 11th year of wedded bliss. . . . EDWARD and MARY LARSEN on Hillside boulevard, who celebrated their fourth since their first "I do's."

Center of attraction at the BERNARD RUBIN home on Fairlawn last Sunday was MASTER MARC LUB, who celebrated his sixth birthday with just a few friends invited. Guests were: Michael Rudolph, Steven Levensonhn, Robert and Nancy, Marc's brother and sister.

Belated birthday wishes, MARC, from your grandmother, Mrs. Rose Dodd in San Francisco, and your grandparents, Mr. and Mrs. H. Rubin of Brooklyn.

This year's Thanksgiving dinner for the WEGLINS, HARRY and SYLVIA, of C street, Colma, marked a rather special event, with their guests being her aunt and uncle, the Lou Habers, who came from New York for a reunion with her sister, whom he hadn't seen in 30 years, Mrs. Netvia's mother).

Haber, a retired real estate broker, and his wife enjoyed a 10-day stay at the St. Francis Hotel. Sylvia served as their guide on their first trip to the West coast.

After three hours of surgery and three days at the Franklin hospital, two-year-old STEVEN PORTER of Bismark is home on the convalescing list with two badly cut hands. The accident happened last wek when Steven put his hands through a window, cutting his left hand and severing a nerve and seven tendons on the other. In six weeks Steven will return to the hospital for more surgery.

INVITING THE UNDERTAKER—

Junior's dad warned him about the dangers of a gun in untrained hands-
But gave him a wheeled projectile geared to 100 MPH and he didn't make sure that Junior was trained to use it.
